- **Lightning-Fast Execution** – Complete inspections in record time, without delays.
- Smart Tracking – Stay ahead with automated reminders, real-time status updates, and secure digital records.
- **Zero Manual Work** – Reduce errors, save time, and focus on what truly matters.

Maximize team efficiency

Assign jobs, monitor progress, and manage performance of engineers

Flexible pricing: Cost-effective for businesses of all sizes

OVERVIEW

DigitraxPro ERP is a specialized, cloud-based enterprise solution designed for firms in the inspection, training, and certification sectors, particularly those operating in the UAE. It streamlines your business by digitizing operations, ensuring compliance, and providing speed and transparency to every process.

Smart Search : Find records fast by client, product, or serial number for easy audits.

Instant Delivery : Share certificates immediately; QR codes ensure authenticity..

Expiry Tracking : Automatic renewal alerts prevent missed deadlines.

Sales & Ops : Manage quotations and convert to orders, aligning sales and technical teams.

Asset & Inventory : Track equipment, assignments, and calibration reminders.

Purchasing & Accounts : Integrated tools for streamlined financial control.
